

CORE CARE PROGRAM

‘Showing Others That You Care’

As a client of Core Solutions Physiotherapy and Wellness, you have experienced the value of our services. Showing others that you care will help us spread the health in the community.

As a valued client, we would like to thank you for your expression of confidence in our services.

Now, you can receive a **moist heating pad** (cervical or standard size) for your first 2 referrals of new clients to Core Solutions. After the next 2 referrals you will receive a **1 hour Massage or Reflexology** session at Core Solutions.

The **CORE CARE PROGRAM** is available to all current and past clients of Core Solutions Physiotherapy & Wellness. To take part in this program, cut the sections on the bottom of this page, fill out your name and hand it to the person you are referring. The new client should bring this paper with them on their initial visit in order for us to track your referrals.

*Referrals must result in a minimum of one completed assessment with one of our Therapists.
